KLR BUILD

Designed with Intent. Built to Endure.™

INTRODUCTION

Welcome to KLR Build LLC, where great spaces come to life and strong relationships are built right along with them.

KLR Build LLC is a family-owned company specializing in exterior and interior living spaces, and the name KLR comes from the owner's daughter's initials, which is a reminder that this company was built on family, pride, and long-term vision.

This is a company that cares about doing things the right way. Quality, integrity, and reliability are not just words here; they are the standard, and when KLR Build says something will get done, it gets done.

OUR PROCESS

1. Intial Design Consultation

We schedule the first visit to learn what you are envisioning, how you want the space to feel, and what priorities matter most.

2. Design Preview

In 5-7 days we return with 2D and 3D renderings plus a detailed, itemized estimate that brings the ideas to life.

3. Deposit and HOA submission

After the deposit is received, HOA plans are typically submitted within 3-4 days so the approval process can begin quickly.

4. Commencement

Start of the project, and commencement payment. Construction generally starts 1-2 weeks after approval while materials, site logistics, and the project timeline are finalized.

5. Delivery and Installment

The materials are delivered and being installed. second payment is due at this time.

6. Plants and Turf

We can meet at the nursery to choose plants together. The third payment is due at this time.

7. Final Walk Through

We meet at the property to go over the final results. The Final payemt is due at this time.

VISION

**WE ARE HERE TO HELP BRING YOUR VISION TO LIFE.
QUESTIONS TO HELP US DESIGN YOUR DREAM.**

DO YOU LEAN BRIGHT, EARTHY, AIRY, WARM, MODERN, CALM,
OR DRAMATIC?

WILL THE SPACE BE FOR ENTERTAINING, FAMILY DINNERS, QUIET
MORNINGS, KIDS, PETS, OR EVERYDAY LOUNGING?

FIRE PIT, BBQ ZONE, SHADE STRUCTURE, TURF, PLANTER BEDS,
LIGHTING, SEATING WALL, OR A STRONGER INDOOR-OUTDOOR
CONNECTION?

DO YOU WANT LOW-MAINTENANCE SIMPLICITY, SEASONAL
COLOR, LUSH PLANTING, OR SOMETHING IN BETWEEN?

HOW OFTEN DO YOU HOST, WHEN DO YOU USE THE SPACE
MOST, AND WHERE DOES CONVENIENCE MATTER MOST?

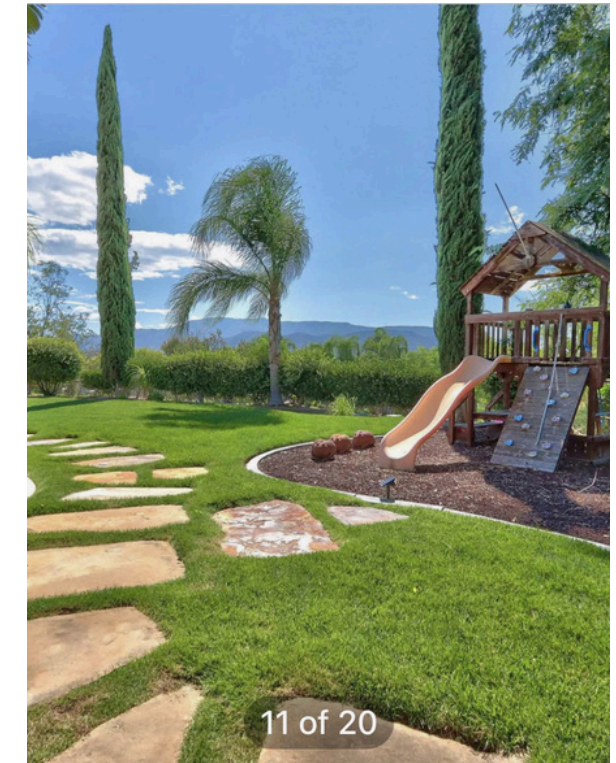

WHY WE FOCUS ON QUALITY AND COMMUNICATION

QUALITY PROTECTS THE INVESTMENT

MATERIALS, PREP WORK, AND INSTALLATION DETAILS DETERMINE WHETHER A PROJECT STILL LOOKS SHARP YEARS LATER. OUR GOAL IS NOT JUST A STRONG FIRST IMPRESSION, BUT A FINISHED SPACE THAT CONTINUES TO PERFORM.

COMMUNICATION REDUCES STRESS

CLIENTS DESERVE TO KNOW WHAT IS HAPPENING, WHEN IT IS HAPPENING, AND WHAT COMES NEXT. CLEAR UPDATES MAKE DECISION-MAKING EASIER AND HELP THE PROJECT STAY ALIGNED WITH BUDGET, TIMELINE, AND DESIGN INTENT.

DRAINAGE

Drainage is not an add – on

Drainage protects foundations, paving, planting, and finish materials. We take it seriously because the best-looking project can fail fast when water is ignored.

WHY CUSTOMERS CHOOSE KLR BUILD

VISUAL CONFIDENCE

2D AND 3D RENDERINGS HELP CLIENTS SEE THE PROJECT BEFORE CONSTRUCTION BEGINS, WHICH SPEEDS UP CHOICES AND BUILDS CONFIDENCE.

TRANSPARENT PLANNING

DETAILED ESTIMATES AND ORGANIZED PAYMENT STRUCTURE MAKE IT EASIER TO COMPARE OPTIONS AND MOVE FORWARD CONFIDENTLY.

TAILORED DESIGN

NO GENERIC PACKAGES. PROJECTS ARE SHAPED AROUND LIFESTYLE, TASTE, BUDGET, AND THE WAY EACH FAMILY ACTUALLY USES THE HOME.

RESPONSIVE SERVICE

QUESTIONS ARE ANSWERED, UPDATES ARE SHARED, AND CLIENTS STAY CONNECTED TO THE PROJECT FROM PLANNING THROUGH COMPLETION.

FAMILY-OWNED

CLIENTS ARE NOT PASSED THROUGH A GIANT SYSTEM. THEY WORK WITH A TEAM THAT VALUES TRUST, FLEXIBILITY, AND PERSONAL ACCOUNTABILITY.

ADD VALUE NOW, AVOID PAYING MORE LATER

VALUE

8–15%

Typical patio / outdoor living ROI

Outdoor living spaces are regularly valued because they expand usable square footage and buyer appeal.

3 costs

That waiting can trigger
Inflation, site damage, and the inefficiency of revisiting demolition, material selection, and scheduling later.

1 vision

Delivered together

Bundling layout, drainage, hardscape, and planting keeps the job cohesive and avoids mismatched phases.

WELL-PLANNED OUTDOOR IMPROVEMENTS CAN INCREASE APPEAL, USABILITY, AND RESALE VALUE. DELAYING OFTEN MEANS PAYING TWICE: ONCE FOR INFLATION AND AGAIN FOR REPAIRS CAUSED BY WATER, SETTLEMENT, OR PHASED REWORK.

PATIOS AND OUTDOOR LIVING AREAS ARE OFTEN CITED AS VALUE-ADDING UPGRADES, WHILE PROPER HARDSCAPE DESIGN ALSO HELPS REDUCE LONG-TERM MAINTENANCE PRESSURE.

SPECIAL FEATURES

KLR BUILD

CLIENT TESTIMONIAL

“

We couldn't be more impressed with the transformation of our front and backyard into a truly elevated outdoor living space. The craftsmanship—from the beautiful concrete and paver hardscape to the turf, thoughtfully selected plants, and seamless irrigation system—is exceptional. Their team combines creative vision with expert execution, making the entire process smooth and enjoyable. If you're looking for a team that delivers high-quality results and brings your vision to life, we highly recommend them.
